To our SSROC community,

I am excited to announce that from 6 May 2024, the Southern Sydney Regional Organisation of Councils (SSROC) will relocate from Campsie to South Eveleigh, at:

Work Club  
Bay 5-7 North  
2 Locomotive Street  
Eveleigh NSW 2015

SSROC will still be contactable via our main switch line (02) 8396 3800 and all SSROC email addresses will remain the same.

With our current office due to be redeveloped for a new community facility, the time had come for SSROC to find a new home. I am grateful to our current landlord, Canterbury Bankstown Council, for hosting us at vibrant Campsie these last few years.

SSROC explored a range of different office options with member councils but could not find anything suitable within our price range. Therefore, we were thrilled to discover the new co-working space at Work Club Locomotive as it met all our needs.

The flexible arrangement will give us our own dedicated office space while also giving SSROC access to state-of-the-art conference facilities, meeting rooms and an event space when we need it, while also saving SSROC money on space we rarely use. Our new office can easily be accessed by train from Redfern station, it also has a large paid parking option located in the basement.

I am excited to take SSROC into this new way of working and the opportunities it will bring us. SSROC will of course maintain a high standard of service to all our stakeholders while we relocate, but please bear with us during the transition.

I look forward to welcoming you into our new space very soon.
